Carsen,

This time doesn't work for Diane and me. Is there any flexibility with rescheduling?

Hi Folks!

I received a request from Zach for a briefing to “discuss the Region’s next steps on the Passaic interim remedy.” Zach reviewed comments from NJDEP and the CSTAG and would like to talk through those comments with our Passaic team.

I took a look at everyone’s schedules and this day/time seemed to be the only window of opportunity that we all had.

I’ll be in 2641 for those working in NYC, if not – here’s the conference line:
